WALK TO PREVENT HOMELESSNESS!

Somerville is fortunate to have a wide range of high quality homelessness prevention and affordable housing services. One significant gap, however, remains access to quickly accessible cash grants for emergency situations. That is why **AHOC** is holding our **Eighth Annual Save Our Homes Walk**.

Proceeds from the walk help those at risk of homelessness to secure housing by providing assistance with security deposits, rent arrearages, or moving costs. Unfortunately, we continue to see an increase in the numbers of people facing homelessness each year.

Each year since 2004 the Walk has raised between \$20,000 and \$40,000 that has provided cash grants to as many as 160 adults and children living in Somerville each year to help them avoid the devastation of homelessness. With your help we hope to raise at least as much this year.

The **Save Our Homes Walk** will cover 5 kilometers (3.1 miles) and will begin and end at Somerville High School. Our route will pass several landmarks that relate to affordable housing in Somerville. Back-up transportation will be available for walkers who are unable to complete the route.

The **Somerville Affordable Housing Organizing Committee (AHOC)** was organized by the Somerville Community Corporation in 2001. **AHOC** is an advocacy coalition made up of Somerville residents and organizations including the **Somerville Community Corporation**, the **Somerville Homeless Coalition**, **Cambridge and Somerville Legal Services** and the **Community Action Agency of Somerville**.

AHOC researches and implements action strategies on housing issues such as control of condominium conversions and strengthening of city ordinances on linkage and inclusionary housing.
